# Correction: Understanding and experience of adverse event following immunization (AEFI) and its consequences among healthcare providers in Kebbi State, Nigeria: a qualitative study

Semeeh Akinwale Omoleke<sup>1\*</sup>, Biniam Getachew<sup>2</sup>, Abubakar Isyaku<sup>3</sup>, Abdurashheed Bello Aliyu<sup>4</sup>, Ashiru Mohammed Mustapha<sup>4†</sup>, Shafiu Muhammad Dansanda<sup>5†</sup>, Kehinde Kazeem Kanmodi<sup>6†</sup>, Hafsat Abubakar<sup>7†</sup>, Zahraddeen Ibrahim Lawal<sup>8</sup> and Haruna Abdullahi Kangiwa<sup>9</sup>

**Correction to: BMC Health Serv Res 22, 741 (2022)**  
<https://doi.org/10.1186/s12913-022-08133-9>

Following publication of the original article [1], the authors identified an error in the affiliations assignment: affiliation 1 (Doctoral Programme in International Public Health, Euclid University, Bangui, Central African Republic) was incorrectly assigned to Abdurashheed Bello Aliyu and Zahraddeen Ibrahim Lawal.

This error is corrected in the author list of this Correction article and the original article [1] has been updated.
