Published online: 20 March 2024

In Table 3 and 4 of this article, a formatting error occurred in the PDF due to a typesetting mistake. The explanatory text in the final column on the right hand side (Assumptions and Information Sources) in each table has been placed within the first row, rather than running the full length of the table.

The original article has been corrected and the publisher apologises to the authors and readers for the inconvenience caused by these errors.

The original article can be found online at <https://doi.org/10.1186/s12913-023-10527-2>.
