Erratum

Upon publication of this article [1], it was brought to our attention that the following need to be corrected:

1. In the 'Background' section, the sentence: "...limiting effective reduction of hypertension-related morbidity and mortality rates in patients" should be corrected to read: "...limiting effective reduction of hypertension-related morbidity and mortality rates among patients".
2. In the 'Background' section, the sentence: "A cluster-randomized trial of task shifting and blood pressure in community health centers..." should be corrected to read: "A cluster-randomized trial of task shifting and blood pressure control in community health centers..."
3. In the 'Methods' section, number forty-nine should be changed to forty-seven.
